

# Is My Doctor In-Network for My 2026 Medicare Plan?

Enter your plan ID and your doctor's legal name or NPI into the insurer's provider directory, confirm the listing shows "In-Network / Accepting New Patients," screenshot the page, and call the office's billing desk for final confirmation.

**Translation:** Ninety seconds today can spare you a \$900 out-of-network shock at tomorrow's check-up.

### Why Bother Checking Now?

1. Networks shuffle yearly—and sometimes mid-year.
2. Out-of-network visits can cost **100%** of the bill in an HMO plan and steep coinsurance in a PPO plan.
3. One quick lookup beats an ugly surprise bill.

### What Do I Need Before I Look Up a Doctor?

Must-Have Tool	Where to Find It	Why It Matters
Plan name & ID	Plan member ID card or ANOC	Every plan code has its own network.
Doctor's legal name	Google or last statement	Nicknames fool directory search bars.
Doctor's National Provider Identifier aka NPI ( <i>gold standard</i> )	Call office → ask billing	NPI is a unique provider fingerprint.

# How Do I Verify Network Status in 3 Steps?

### 1. Launch the Correct Directory

1. Log in to your insurer's Medicare portal.
2. Select the **2026** plan year.
3. Choose the exact plan type (HMO, PPO, Medigap Select, etc.).

### 2. Search Smart—Then Filter

1. **Best:** Paste the **NPI**—no duplicates, no typos.
2. **Backup:** Full legal name + city / state.
3. **Dial in filters** to shrink the list:
  - **Location radius** (ZIP or miles)
  - **Specialty** (e.g., *Cardiology – Electrophysiology*)
  - **Hospital affiliation** if your doctor practices only at specific facilities

These filters save you from scrolling through 200 “Smiths” and surfaces who actually treats patients near you.

### 3. Confirm the Triple Green Flag

- ✓ **In-Network / Participating / Preferred**
- ✓ **Accepting New Patients** (or “Open Panel”)
- ✓ **Plan code match** (e.g., *H5652-123* appears on both the directory and your plan member ID card)

Next, log the result in your **Provider Checklist** (below):

1. **Status** ☒ ☐
2. **Date verified**
3. **Contact name** (if you confirmed by phone)

Screenshot or “**Save as PDF**” with a date stamp; proof wins billing disputes.

### Red Flags That Need a Phone Call

- “Out-of-Area” or “Tier 2” tag
- “Contract Pending” or “Limited Enrollment”
- No hospital affiliation listed for a planned procedure

#### Use this script:

*“Hi, I’m Jane Doe. I’m considering the **Acme Medicare Advantage PPO H5652-123** for 2026. Are you in-network for that specific plan?”*

### Provider Checklist

Specialist / Facility	✓ Checked?
✓ Primary Care	
✓ Cardiologist	
✓ Orthopedist	
✓ Ophthalmologist	
✓ Endocrinologist	
✓ Dermatologist	
✓ Preferred Hospital	
✓ Lab / Imaging Center	
✓ Physical Therapy Clinic	
✓ Others	

Set a calendar alert for **October 1**—new and updated directories drop then.

### Quick Tip: Going Out-of-Network Anyway?

Plan Type	Look For	Your Cost Impact
PPO	Preferred / Tier 1	Lowest copay
PPO	Standard / Tier 2	Higher copay & deductible
HMO	Out-of-Network	You pay 100%

Ask for a **single-case agreement** or cash discount before scheduling.

### FAQ

- **How do I find my doctor's NPI?**  
Call the office billing desk or look up the provider in the public NPI Registry online.
- **Do provider networks change during the year?**  
Yes. Contracts can terminate mid-year, so re-check before any major procedure.
- **What if the website says in-network but the bill doesn't?**  
Send the dated screenshot to your insurer's claim-review team and request re-pricing to in-network rates.

### Need the One-Click Version?

**MyALEXHealth™** does the detective work:

1. Enter each doctor's name once.
2. ALEX® flags in-network matches across all 2026 plans.
3. Copay & coinsurance show side-by-side with no guesswork.

Launch ALEX and see your provider match in 60 seconds >

Grab your plan ID and doctor's NPI, confirm "In-Network" in the 2026 directory, screenshot proof, and double-check by phone. Or load the info into ALEX and get an instant green-flag—or warning—before you book the appointment.

RO4686329

Plans are insured by a Medicare Advantage (HMO, PPO and PFFS) organization with a Medicare contract and/or a Medicare-approved Part D sponsor. Enrollment depends on the plan's contract renewal with Medicare.

We do not offer every plan available in your area. Currently we represent xx organizations which offer xx products in your area. Please contact Medicare.gov, 1-800-MEDICARE, or your local State Health Insurance Program to get information on all your options.

Not all carriers offer these benefits. Plans vary by region and state. Limitations and exclusions may apply.
